

Capistrano Valley Christian Schools
Fully Accredited by the Schools Commission of the
Western Association of Schools and Colleges
And
Association of Christian Schools International

Accreditation History

- Since 1992 Capistrano Valley Christian Schools has been a fully accredited academic institution
- Accreditation renewal takes place every 6-years for CVCS. This March a five-member visiting team from WASC and ACSI will be on campus for three days to observe, review, and evaluate our entire educational program.

Philosophy and Foundations

- Capistrano Valley Christian Schools is a ministry of Capistrano Valley Baptist Church
- Mission Statement: **Educational Excellence in a Christ-Centered Environment**
- Core Values:
 - **Spiritual Formation**
 - *Biblically base experiences that equip a student for a life-long, maturing relationship with Jesus Christ*
 - **Academic Excellence**
 - *A Biblical, accredited curriculum that prepares the student for the challenges of higher education*
 - **Physical Education**
 - *Athletic and education programs that foster a Christ-like attitude towards competition and sportsmanship*
 - **Social Responsibility**
 - *Biblically based experiences that equip a student for a life-long, maturing relationship with Jesus Christ*

Teacher Qualifications

The Accrediting Commission of Schools requires at least 80% of our full time instructional faculty hold teaching certifications. For the 2004/05 school year 85% of our teachers hold a California State Teaching Credential and/or a Professional Teaching Certification from the Association of Christian Schools International.

Instructional Program

Our core curriculum includes all academic disciplines plus instruction in Bible. Students are challenged with high-level courses in mathematics, science and language arts. Curriculum guides are developed for all subjects and in all grades.

Facilities

CVCS recently underwent a multi-million dollar redevelopment program to enhance its technology lab, playground/field space and enlarged parking lot, which now provides with additional lanes for ease with drop-off and pick-up

Student Activities

Co-curricular and extra curricular activities are offered for grades 5th through 12th. Athletic programs, ASB leadership opportunities, Performing Arts, Academic Pentathlon, Art and more are offered to our students.

Alumni

Our rigorous academic program prepares students for higher-level education. Many of our graduates attend University of California Schools, Ivy League Universities, and Military Academies among many others.
